October 30, 2007

Due to scheduling conflicts with a National Conference, the Los Angeles County Commission on HIV must alter the date and venue of its regular monthly meeting. The new meeting date is November 2, and the new meeting venue for November only is the Center at Cathedral Plaza.

I, THEREFORE, MOVE that the Board waive the fees in the amount of \$17.00 per vehicle for approximately 75 cars to park at Parking Lot 14, located at 135 North Grand Avenue on the above mentioned date, excluding liability insurance.
